HO'OPONOPONO LOMILOMISM

Aloha - Ho'oponopono LomiLomiSM is a Traditional Hawai'ian Art of Healing, whose roots arise from the Old Wisdom of beautiful Island of Kaua'i. Celebrated as Holy Ritual it develops its special deep and long lasting value within a clear, love guided intention, which creates a space of Inner Peace and Mana. Ho'oponopono means to make things right, to be in Harmony with yourself, your Family and everything what exists. Lomi Lomi is to soften the Body, the Spirit and at first the Heart. The Key of Healing is Forgiveness for feeling and getting conscious of the Aloha Spirit, the Unconditional Love. Ho'oponopono releases on the spiritual and emotional layer, so Lomi Lomi invites to free the full body, to enjoy this light and powerful focused experience. In the Family Healing Knowledge of Kumu Allen Keaelia Alapa'i I was initiated in Germany and on the **HEALING GARDEN ISLAND OF KAUA'I** and I attend you on your own personal journey into the *Spirit of Aloha*.
